A silhouette of a helicopter, likely an Apache, is shown in flight against a bright, hazy sunset sky. The helicopter is positioned in the center of the frame, with its main rotor blades and tail boom clearly visible. Below the helicopter, the foreground is filled with the dark, silhouetted blades of tall grass, some of which are slightly out of focus. The overall color palette is dominated by warm, golden-yellow and orange tones from the setting sun, creating a dramatic and atmospheric scene.
